How to participate in the “TEAM EXPO 2025” Programme.

You can participate in TEAM EXPO 2025 in one of two ways.

A. Join a Co-Creation Challenge.

B. Be a Co-Creation Partner.

Co-Creation Challenge

: **Working together to solve social issues.**

We will call for initiatives to solve the issues to put into practice the theme of EXPO 2025.

Co-Creation Partner

: **Corporations and Organizations that support multiple Co-Creation Challenges.**

We will call for corporations, organizations and other parties that have the skills, strengths or resources useful for supporting Co-Creation Challenges.

- Co-Creation Challenge is an activity which you are promoting to solve social issues.

Please register the activity or activities that you are actively promoting to solve social issues to contribute to the Expo theme and the achievement of the SDGs.

All fields are welcome.

Registration Items

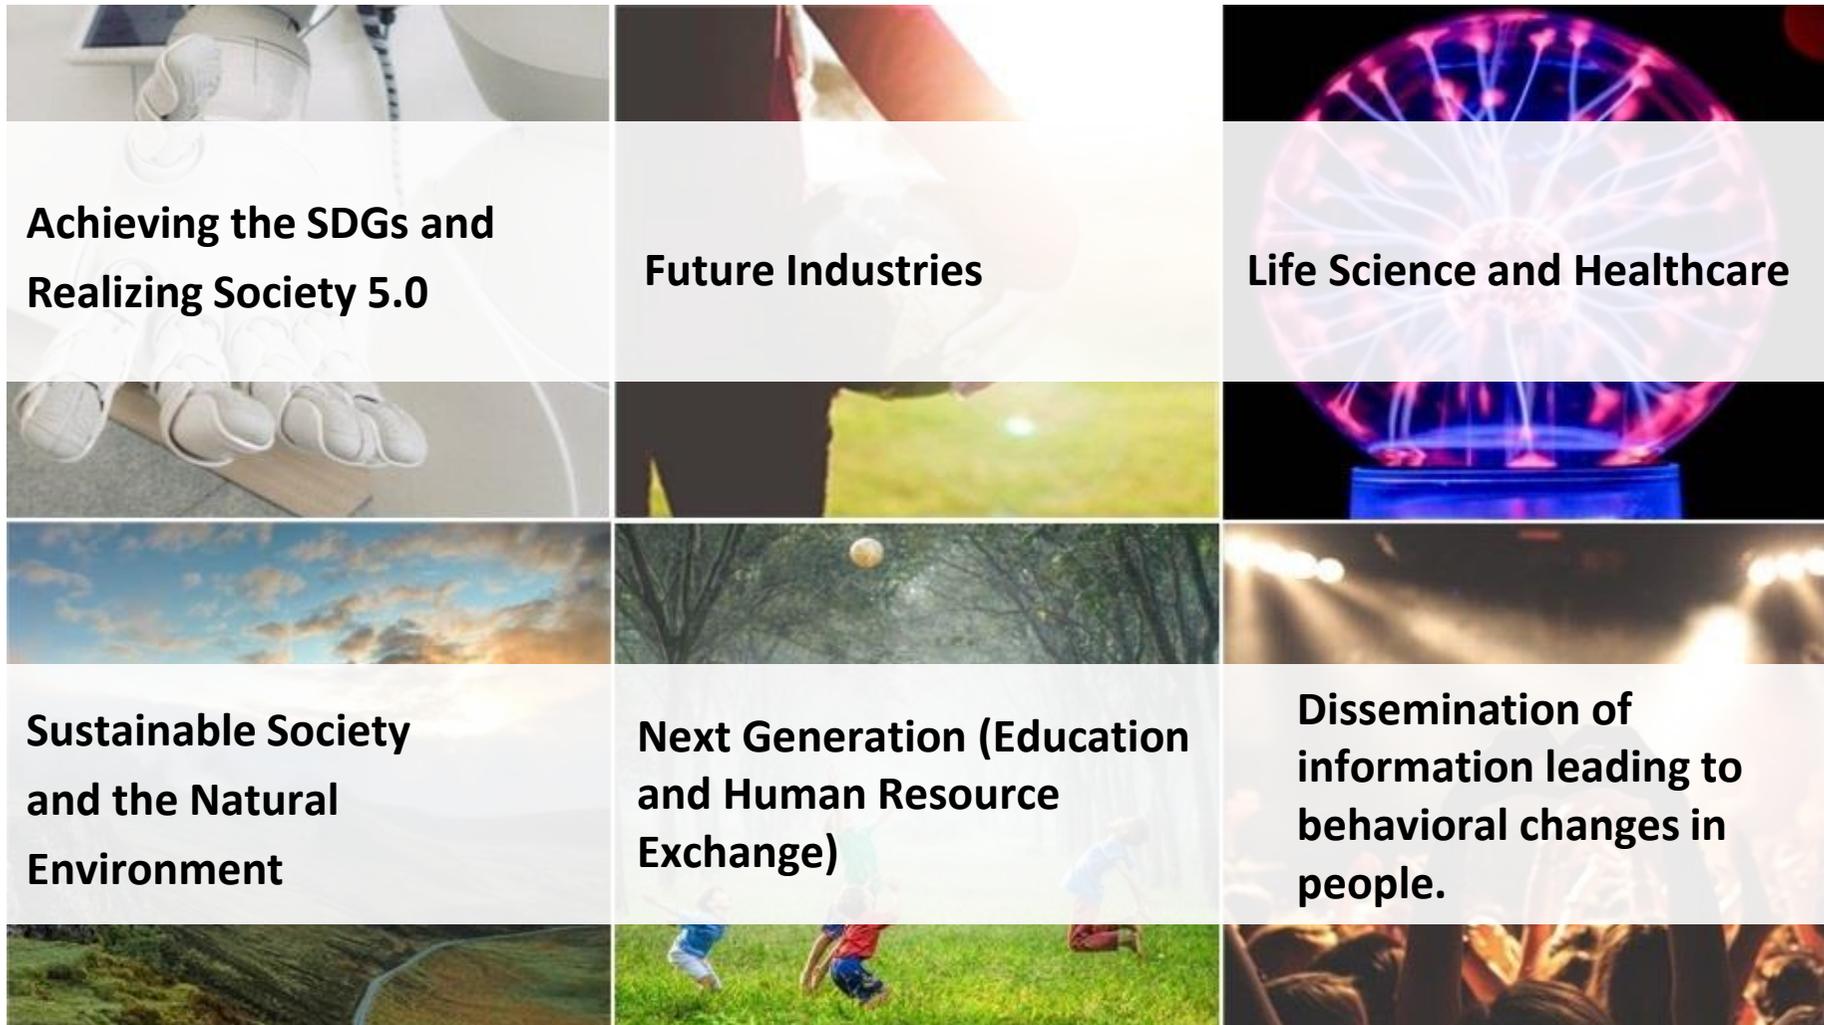

“What kind of future society do you want to achieve?”

“What are you currently doing to achieve this goal?”

“With whom do you want to promote Co-Creation for the future?” (and additional questions)

✂ There is no cost for registration, but each team must pay for the application procedures and expenses necessary for Co-Creation Challenge activities. (No subsidies will be provided.)

Examples of Co-Creation Challenge

✂ These activities are just examples, and we are looking forward to receiving registrations for a variety of activities including, but not limited to the above.

- **Co-Creation Partner is a corporation and an organization that creates and supports multiple Co-Creation Challenges.**

Co-Creation Partners are entities that promote Co-Creation through a variety of activities. The content of the Co-Creation Partner's activities will be decided after consultation with us.

Please register the Co-Creation Partner as a corporation or an organization.

What we are asking for is the following:

To provide the skills, strengths or resources that you have, and support Co-Creation Challenges.

✂ It is also possible to register your own individual activities as Co-Creation Challenges, in addition to your efforts as a Co-Creation Partner.

✂ There is no cost for registration, but each team must pay for the application procedures and expenses necessary for Co-Creation Challenge activities. (No subsidies will be provided)

Examples of a Co-Creation Partner

TEAM EXPO 2025 Programme Deployment and Schedule

Sharing excellent results at the Best Practice Area

- Among the initiatives to ‘Designing Future Society for Our Lives’ that come together for the TEAM EXPO 2025 Programme, especially excellent, practical, globally reproducible and useful initiatives towards the future will be displayed and demonstrated as the Best Practices in the Best Practice Area at the site.
- We will also devise a system for showcasing several excellent initiatives, including the Best Practices to a wider range of visitors. For example, limited-time or interchangeable exhibitions in Best Practice Areas or collaboration with exhibitions and events held elsewhere at the site.
- Moreover, the Best Practices and other outstanding initiatives in the TEAM EXPO 2025 program will be introduced and shared not only at the site, but also at events held elsewhere in Osaka, Greater Kansai, other areas as well as online.
